

Ready in An Emergency

When illness comes it is better to be prepared. There is no need for "borrowing" from a neighbor if you have a hot water bag or other rubber accessories that are so often needed in times of illness.

Let us show you the fine line of pure Para Rubber Goods that we carry—there are none better that are made.

O. A. C. SELECTS AN ONTARIO BOY MANAGER

Harold Readen, Prominent in Debating, Put in Charge of Public Speaking Teams at State College.

Warren Deigh of Ontario, California, was elected president of next year's junior class at the election held last Friday. Deigh was originally a member of the '20 class but lost two years of school while in the army, where he served as a second lieutenant at Camp Lewis. Last fall he was a member of the varsity football squad and made his letter in that sport.

Claud Palmer of Portland was elected editor of the 1922 Beaver. He has been closely connected with the Barometer this year and also has been active in class functions. He has the distinction of being a captain in the R. O. T. C. artillery though he is only a sophomore.

Other officers elected were Esther Bush, Salem, vice president; Mary Kellogg, Fresno, Cal., treasurer; Mary Olmstead, Forest Grove, secretary; Harold Readen, Ontario, foreman; Ted Hayden, Pendleton, athletic manager; and George Paine, Corvallis, yell leader.

Otto Hathaway of Corvallis and Berkeley Davis of San Pedro, Cal., received the highest number of votes for class representatives on the student council. Voting in the election was unusually heavy and much interest was shown in the selection of the officers.

W. C. T. U. JUBILEE DRIVE SUCCESSFUL IN THIS COUNTY

In order that the friends of the W. C. T. U. might know how successful was the Jubilee drive in this county the committee presents the following report of the funds received showing that the county "went over the top" by raising its quota of \$200 from the following sources: Nysa, \$33.10; Vale, \$29.60; Owyhee \$10.79; Jamieson, \$2.50; Ontario business men \$25.00; Ontario W. C. T. U. \$99.01.

VALLEY VIEW PIONEER PASSES

William H. Sherwood, who for the past 25 years has been a resident of Malheur county died at his home in Valley View, six miles south of Ontario on April 26. Mr. Sherwood who was 84 years old at the time of his death had been ill for two years, he having suffered from a paralytic stroke which left him almost helpless. On Sunday before his death he suffered a second stroke which proved more than his feeble strength could bear.

Mr. Sherwood is survived by his wife and two daughters, Mrs. D. H. Brown and Mrs. W. S. Rees, both of this section. Beside these he is survived by eight grand children and five great grandchildren. Mr. Sherwood was a man of sterling character having been a devoted member of the Christian church for more than 30 years prior to his death.

This year every citizen should vote—vote right—but not often.

Some people, we suspect, are keen on discovering the faults of others in order to cover up their own.

SALVATION ARMY MAKES MEN OF SOCIAL OUTCASTS

Following a well known rule the Salvation Army, in its industrial homes, is taking the class of man who early finds his way to the poor house and rehabilitates him, makes him over, gives him confidence in himself and turns him over to employment that enables him to sustain himself.

The County Government makes its "down and out" habitual indigents. It makes them a monthly allowance of money or goods for which it requires no service.

The Salvation Army takes the same man and gives him, not money, but work.

It pays him money for his work, and renews in him the knowledge that conscious and directed effort is entitled to and will bring him commensurate return.

It bathes him and wins him again to clean habit and thought. It builds up his strength and his morale until he is fit again for the fight with the world.

Then it finds him employment and sends him forth to work that he is fitted to do.

Here in a nut shell is the story of the Salvation Army's Industrial homes and the story of the Industrial

Investing a Dollar

Deposited in any savings bank, a dollar would make 3 1/2c—perhaps 4c a year. Loaned on a note, it might make 6c or possibly 10c. But invested in a year's subscription for

The COUNTRY GENTLEMAN

it may show you how to make or save a hundred dollars or more in a single year! Ordinarily we hesitate to recommend a small investment to bring large returns. But this is not a speculation.

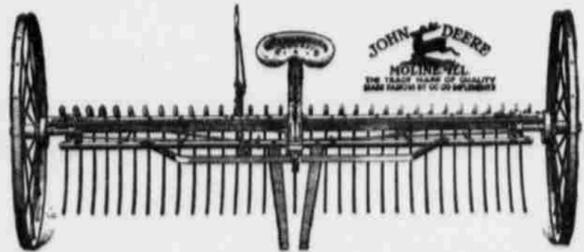

Through THE COUNTRY GENTLEMAN, thousands of farmers have learned of improved practices, better methods, new labor-saving devices, profitable sidelines, successful marketing plans, that have brought the light of victory to their eyes, the comforts and conveniences of modern life to their homes, the security of accumulated capital to their bank accounts. We believe that no other dollar can possibly bring you so great a return as the one you authorize us to invest for you in a year's subscription—fifty-two big issues—for THE COUNTRY GENTLEMAN. Let us care for your order.

Better than the Ordinary Hay Rake

There is a big difference in hay rakes. This difference affects not only the ease of operation and good working qualities, but the length of service as well.

We don't know of a hay rake that is so thoroughly made as the John Deere Self-Dump Rake.

For example, its heavy angle steel frame never sags—the adjustable tie rod keeps the frame true, always.

The heavy steel wheels with an extra number of staggered spokes, protected by the channel steel tire, are interchangeable, giving double wear on the ratchets.

The arched steel axles give the proper pitch to the wheels—the

wheels never pull at the top and out at the bottom.

The dump rods are reversible, giving double wear at this important point. Tooth holder accommodates large or small number of teeth.

You can maintain the good working qualities of the John Deere Rake for years.

And from the operating standpoint, it is simple and easy to handle. With one foot lever, you can keep the teeth in working position at all times; with the other foot lever, the rake is instantly tripped. A convenient hand lever serves to adjust the teeth for close raking, and to elevate the teeth for transportation.

We want you to come in and see this rake. The extra service you will get out of it makes it the most profitable hay rake to buy.

Hospitable and Attractive is this Living Room Set

\$335

This three piece set is one that you will thoroughly appreciate when you see it. It is of overstuffed design; the soft, deep padding of the backs and roll arms and the loose, coil spring cushions make these pieces luxuriously comfortable. The foundation for the cushions is built up of coil springs, each in a separate pocket which eliminates all sagging. Upholstered in Figured Tapestry. Frames in Mahogany.
